THIS IS UNEVALUATED INFORMATION

25X1

1. Voice of America and BBC broadcasts are listened to in the neighborhood of Galati and Braila.
2. This is done clandestinely and is not spoken of in public places for fear that a prison sentence may result.
3. Phillips and Telefunken radios capable of receiving foreign broadcasts may still be purchased on the open market at extremely high prices. Soviet built radios for short range reception are found at much cheaper prices.
